

TOWN OF HAMPSTEAD

Annual Report 2011

DEDICATION

William L. Kelly

It is with great appreciation for all he has done for the Town of Hampstead that we dedicate the 2011 Town Report to Bill Kelly. Bill was a long time member of the Planning Board and helped guide it through a vast array of challenges. He passed away near the end of 2011 from cancer.

Bill's background was well suited for the Planning Board as he had academic training in Political Science, practical experience in managing a New Hampshire town (Salem), and a love of our small town. He served on the Planning Board from 1997 until his passing, and was Vice Chairman for the majority of that time. He did serve as Chairman from 2002 to 2006. Bill was a member of the Hampstead Budget Committee in 1996 and 1997.

He knew the importance of discussing all sides of an issue before writing it up, and stating it clearly so everybody understands the zoning. And he was honest and straightforward with everyone. While he never hesitated to give his opinion, he never did it in an argumentative way.

Bill was also a long time dedicated member of the Hampstead Congregational Church, where he served as a trustee.

Bill's thoughtfulness, hard work and dedication will be missed.
