

Selectmen's Meeting  
October 25, 2010

Selectmen present:  
Rick Hartung, Chrm.  
Jim Stewart,  
Priscilla R. Lindquist

At 12:30 PM, Ch. Hartung called the meeting to order. The meeting was not on Cable TV.

The meeting was held for the board to discuss the request of the Library Trustees to include in the Library appropriation for 2011, the income derived from gifts, fines, and other misc. income that comes into the library. Priscilla had asked for an interpretation from the LGC. The reply she received is that if the town has passed a warrant article allowing the Library Trustees to keep the money received from unanticipated income received at the library, then this should not be put in the budget, since it is not received into the general fund to offset the expenditure. The town passed that article in 1994. It was also noted that the Board of Selectmen is responsible for inserting the line items in the budget. It was agreed that this income should not be included in the operating budget for the library.

The meeting adjourned at 1 PM.
