2015 Budget

The members present reviewed the 2015 budget using the bid information from Casella. They discussed the various costs and what would be required in 2015. One of the big items is that Hampstead is due to host the Household Hazardous Waste Day in October and needs to budget for the full cost. They reviewed what miscellaneous costs would be needed such as compost bins or recycling bins. They reviewed the repairs and maintenance at the Kent Farm Transfer Station as well.

The preliminary budget information will be put together and sent to the members to review.

Meeting adjourned at 8:58 p.m.
